

SYKES HISTORY

The Sykes name was attached to this building in 1935, but it served as a local grocery store for at least two decades before that time. In the late 40's Cecil Sykes sold the store to his meat manager Doug Wise. Over the years, Doug expanded the grocery operation and built a new restaurant in the 70's. Sykes has always maintained a local, hometown charm where everyone is a friend. Doug & Judy did a wonderful job of building a customer base that operates in many ways like a large family. Through local meat processing,

grocery delivery and a 10 cent cup of coffee, Sykes became more than a restaurant and market, it was a place to belong.

In the fall of 2010 after 60+ years of ownership, Doug & Judy sold Sykes to local businessman Ray Thompson. After extensive renovation, the restaurant re-opened on Oct. 4th, 2010 and the market reopened November 4, 2011. We are committed to continuing the Sykes tradition of downhome cookin' and a friendly atmosphere. *Thanks for joining us.*
